Dear Sir:

This is a status inquiry letter. On October 17, 1995, applicant mailed a response to the office action mailed July 17, 1995. The response included a request for treatment under the transitional procedure of 37 CFR 1.129, together with a check for \$375.00 in payment of the fee required. Applicant has contacted Examiner Weldon to schedule a personal interview on this case, but has learned that the file for this case is apparently missing. As a result, applicant is unable to schedule the interview.

Applicant respectfully requests that he be notified as to the current status of the case and that efforts be made to locate the file.

Respectfully submitted,

*Larry K. Roberts*
